

# MANURACK 20

## TECHNICAL DATA:

Dimensions	1546x1181x310mm
Load capacity	1000kg
Stackability	yes
Surface finish	powder coated/galvanized

## CHARACTERISTICS:

- support tubes in various sizes to be ordered separately
- perfect solution for a variable range of assortments
- easy stacking system to assemble and disassemble
- optimization of the storage area

## ACCESSORIES:

tube  $\varnothing 60,3 \times 2,9 \text{ mm}$
