

MANURACK 21

TECHNICAL DATA:

Dimensions	2026x1181x310mm
Load capacity	1000kg
Stackability	yes
Surface finish	powder coated/galvanized

CHARACTERISTICS:

- support tubes in various sizes to be ordered separately
- perfect solution for a variable range of assortments
- easy stacking system to assemble and disassemble
- optimization of the storage area

ACCESSORIES:

tube $\varnothing 60,3 \times 2,9$ mm
